No. 64-015

27 January 1964

25X1A

MEMORANDUM FOR: [REDACTED]

SUBJECT : Contract BT-1943 with TFEK Corporation

1. I have just added an additional \$100,000.00 of incremental funds on Contract BT-1943. This addition is not being covered by an amendment at this time since we are getting so close to final settlement of the partially terminated contract, BT-1943. The Contractor was informed of the availability of an additional \$100,000.00 by [REDACTED] 4046 and that the actual contract documentation of this will be contained in the settlement agreement.

25X1A

2. The purpose of this memorandum is to permit recording of the fact that the Contractor has been advised of the additional \$100,000.00 available on BT-1943.

3. A summary of the financial status of the contract follows:
